**End Application:**

Engine, outboard, 225 efi, 4 stroke, standard & counter rotation

**Inclosure Feature:**

Totally enclosed

**Mounting Method:**

Resilient ring

**Product Name:**

Direct current motor

**Special Features:**

Contract number n00024-04-f-2-5dgrd; part of the power rim components of a mercury 4 stroke efi swb model number 1225f24dk

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A271a0
