End Application:

Industrial dc hoist; p/n 00816000-01 (cage 8x691) trailer assembly; an/tsq-216

Shaft Rotation Direction:

Clockwise single end

Mounting Method:

Rigid cradle

Connection Type And Voltage Rating In Volts:

24.0 line to neutral single output

Special Features:

Includes contactor and remote control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
