Overall Height:

2.370 inches

Overall Length:

24.620 inches

End Application:

Motor, ac, 440v, 5hp

Duty Cycle:

Continuous

Cooling Method:

Fan cooled

Features Provided:

Vertical mounting position

Tempurature Rating:

50.0 ambient degrees celsius

Special Features:

Totally enclosed

Specification Data:

71956 - mil-m-17060e amendment-1 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
