Overall Height:

3.75 inches

Overall Length:

9.9 inches

Overall Width:

6.3 inches

Hole Diameter:

0.375 inches identical ends

Mounting Method:

Fixed base

Mounting Facility Type And Quantity:

4 unthreaded hole

Center To Center Distance Between Mounting Facilities Parallel To Length:

3.25 inches

Center To Center Distance Between Mounting Facilities Parallel To Width:

3.50 inches

Product Name:

Quad ii diaphragm water pump

Terminal Type And Quantity:

1 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A271a0
