Overall Length:

4.063 inches

Overall Height:

5.000 inches

Overall Diameter:

6.500 inches

Component Quantity:

1

Locking Device:

Not included

Component Controlling Agency:

Jetds

Component Name:

Radio set control

Component Identifying Number:

C-628///arc-27 type no.

Surface Treatment:

Enamel

Fsc Application Data:

Case control, radio except navigation, nonairborne

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T358-a
