Overall Length:

8.000 inches

Overall Height:

3.219 inches

Overall Width:

5.250 inches

Mounting Configuration:

Six 0.196 in. Diameter plain through holes located along the length

Special Features:

Aluminum alloy, qq-a-591, alloy 1

Special Markings:

Voltage adjust

Material:

Aluminum alloy, qq-a-591, alloy 1

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment:

Anodized

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
