Overvoltage Protection Module - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6110-00-489-3813

General Description:

27 to 56 vtrip point adjustment range, for use with units havinga nom output voltage of 26 to 50 v dc

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

Yes - demil/mli
