**Overall Length:**

12.125 inches

**Overall Height:**

4.000 inches

**Overall Width:**

4.500 inches

**Ac Voltage Rating:**

600.0 volts

**End Application:**

Mb2a compressor

**National Electrical Manufacturers Association Standards Design:**

Designed per nema std

**Features Provided:**

Reversible and circuit protection fuse

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A541c0
