Overall Length:

5.040 inches

Overall Height:

3.355 inches

Overall Width:

2.150 inches

Size Designator:

1

Operating Voltage Characteristic:

Full

Load Protection Type:

Overload

Ambient Temp:

-65.0 degrees fahrenheit and 160.0 degrees fahrenheit

National Electrical Manufacturers Association Standards Design:

Designed per nema std

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A541c0
