Overall Height:

8.560 inches

Overall Width:

4.880 inches

End Application:

K-101 environmental control system

Special Features:

Has magnetic coil rating of 120v ac; nema size 2 3-pole open type with automatic reset

Frequency In Hertz:

60.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541c0
