Overall Length:

3.750 inches

Overall Height:

4.406 inches

Overall Width:

2.812 inches

Ac Voltage Rating:

Between 208.0 volts and 230.0 volts

Actuation Method:

Magnetic

Mounting Configuration:

One unthreaded mtg hole 0.190 in. Dia

National Electrical Manufacturers Association Standards Design:

Designed per nema std

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541d0
