Magnetic Contactor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6110-01-263-2104

Criticality Code Justification:

Zzzy

Product Name:

Contactor, magnetic

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A541d0
