Overall Length:

16.000 inches

Overall Height:

8.560 inches

Overall Width:

12.000 inches

Ac Voltage Rating:

440.0 volts

Frequency Rating:

60.0 hertz

Duty Cycle:

Continuous

Horsepower Rating:

10.000

Load Protection Type:

Overload

Inclosure Feature:

Dustproof

National Electrical Manufacturers Association Standards Design:

Designed per nema std

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
