**Speed Adjustments:**

Single speed

**Ac Voltage Rating:**

440.0 volts

**End Application:**

Electrical control equipment

**Size Designator:**

4

**Inclosure Feature:**

Dripproof

**National Electrical Manufacturers Association Standards Design:**

Designed per nema std

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A541c0
