**Hazardous Locations/environmental Protection:**

Dripproof

**Ac Voltage Rating:**

440.0 volts

**Size Designator:**

0

**Load Protection Type:**

Undervoltage

**National Electrical Manufacturers Association Standards Design:**

Designed per nema std

**Features Provided:**

Circuit protection fuse

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A541c0
