Overall Length:
68.500 inches
Overall Height:
49.000 inches
Overall Width:
34.500 inches
Ac Voltage Rating:
24.0 volts
End Application:
Chiller 125 ton, ormron electronics inc
Special Features:
Contract form - dpst-no; terminal shape - screw terminals; mounting construction - upper bracket; special functions - with test button
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A541d0
