Overall Length:

68.500 inches

Overall Height:

49.000 inches

Overall Width:

34.500 inches

Ac Voltage Rating:

24.0 volts

End Application:

Chiller 125 ton, ormrn electronics inc

Special Features:

Contract form - dpst-no; terminal shape - screw terminals; mounting construction - upper bracket; special functions - with test button

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541d0
