End Application:

Switching unit, power tfr abt, 50 amp, 3 phase, 450 volt ac, 60 hz, 0-50 degrees c temp range, model number 600-36800; electric power generation system

Product Name:

Snubber assembly sabt

Special Features:

Slows down the rate of voltage, nha is static automatic bus transfer switch

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541a0
