Overall Length:

16.000 inches

Overall Height:

24.000 inches

Overall Width:

7.080 inches

Input Phase:

Three

Inclosure Feature:

Dripproof

Panel Quantity:

1

Input Voltage Rating:

440.0 ac pounds per hour wet

Input Frequency In Hertz:

60.0

Special Features:

50c amb temp control panel fire pump remote control assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-g
