**Ac Voltage Rating:**

230.0 volts

**End Application:**

Forming machine

**Operating Voltage Characteristic:**

Full

**Horsepower Rating:**

5.000

**National Electrical Manufacturers Association Standards Design:**

Not designed per nema std

**Features Provided:**

Reversible

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A541d0
