Fuse Accommodation Quantity:
7
Horsepower Rating:
1.000
Control Type:
Remote
Features Provided:
Reversible and circuit protection fuse
Product Name:
Controller group 4 remote, phase detect
Phase:
Three
Special Features:
440vac, 3 phase, 60 hz; has electrical motor: 115vac, 1 phase, 60hz, permanent split capacitor; tb-2 & tb-3 connector capacity: 300vac,
12 contacts, 20 amps, max. Wire size: 14 awg; tb-1 connector capacity: 380 vac, 4 contacts, 10 amps, max. Wire size: 14 awg;
reversing contactor is a "struthers-dunn, inc" dual coil, coil rating: 120vac/240vac; contacts: 3pdt per coil, n.O. With mechanically
interlocked armature, life: 10 mil. Operations contact rating: 120vac, 15 amp, 1 hp; fuses: 3 - 3ags, ea. & 4, 5 ags ea.
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A541b0
