Fuse Accommodation Quantity:

7

Horsepower Rating:

1.000

Control Type:

Remote

Features Provided:

Reversible and circuit protection fuse

Product Name:

Controller group 4 remote, phase detect

Phase:

Three

Special Features:

440vac, 3 phase, 60 hz; has electrical motor: 115vac, 1 phase, 60hz, permanent split capacitor; tb-2 & tb-3 connector capacity: 300vac, 12 contacts, 20 amps, max. Wire size: 14 awg; tb-1 connector capacity: 380 vac, 4 contacts, 10 amps, max. Wire size: 14 awg; reversing contactor is a "struthers-dunn, inc" dual coil, coil rating: 120vac/240vac; contacts: 3pdt per coil, n.O. With mechanically interlocked armature, life: 10 mil. Operations contact rating: 120vac, 15 amp, 1 hp; fuses: 3 - 3ags, ea. & 4, 5 ags ea.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
