Actuation Method:

Magnetic

End Application:

Dishwashing machine model 250-20m-nsu

Amp Size Rating:

30.0

Product Name:

Contacto (motors)

Special Features:

Distribution statement c, critical technology: export restricted; this item is part of a steam modular control panel layout

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541d0
