Overall Height:

10.500 inches

Overall Width:

11.000 inches

End Application:

Rtd system 3 channel for ohio class ssbn; trident

Accessory Components And Quantity:

Pins 13; shields 7; connectors 6

Mounting Configuration:

4 mounting holes 0.410 inches in diameter

Panel Material:

Any acceptable

Product Name:

Panel assembly, indicating temperature

Special Features:

Label p/n260005-01 & rtd sys (3 chann) assembly p/n04-9219-401; 115vac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T122-b
