End Application:

Heater vent duct elec 480vac 1.70kw

Product Name:

Contactor, heater

Special Features:

2pole definite purpose contactor; 2pole n.O.; structure double break; materials silver cadmium oxide; coil voltage 50/60hz; operating temp -40deg c to +65deg c; 2.313inch ht x 2.000inch long x 2.610inch depth

Precious Material And Location:

Used on the inside of the contact silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A541d0
