End Application:

Convectional curing oven 076180111

National Electrical Manufacturers Association Standards Design:

Not designed per nema std

Amp Size Rating:

30.0

Product Name:

Contactor iec 30a

Special Features:

Contract number: n68335-01-d-0158; ref spare parts documentation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A541d0
