**End Application:**

Emergency diesel generator (edg) voltage regulators for cvn65

**Power Source:**

External

**Product Name:**

Automatic control unit

**Special Features:**

Using westinghouse drawing 600j376, assembly drawing for the regulator; per mil-r-2729

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A31700
