AeroBase Group

Overall Length:

32.000 inches

Overall Height:

46.000 inches

Overall Width:

10.000 inches

End Application:

Hfp fire suppression system; primary system actuator

Panel Material:

Steel, stainless

Product Name:

Main remote actuator panel

Special Features:

Ss pipe assemblies

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-b
