#### Ac Voltage Rating:

240.0 volts

#### **End Application:**

Part number 2056as0700

#### **Product Name:**

Motor drive

#### Phase:

Single

#### **Special Features:**

This is an altered allen bradley 22b-a8p0n104nsn motor drive, alternating current; 2 hp; 240 volt; single phase

#### Shelf Life:

N/a

### Unit Of Measure:

#### Demilitarization:

No
