Overall Length:

8.500 inches

Overall Width:

5.660 inches

Overall Thickness:

3.460 inches

End Application:

2320-01-380-8604 truck utility

Product Name:

Electric power mgr assembly

Special Features:

Aux connector ms3102r 18-11p, diagnostic led, control connector ms3102r 18-10p, communication connector ms3112e12-10p

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T122-g
