Overall Length:

4.080 inches

Overall Height:

2.250 inches

Overall Width:

2.360 inches

Ac Voltage Rating:

115.0 volts

Actuation Method:

Magnetic or manual

End Application:

Resistor minesweeping winch p1810d901-g0; encl resistor mag cable reel p1810d901-h0

Performance Type:

Automatic or manual

Mounting Configuration:

Mounting feet on 2 parallel sides: mounts with m5 or no. 10 screws centered 3.130 inches apart

Ambient Temp:

85.0 degrees celsius

Inclosure Feature:

Hermetically sealed

Amp Size Rating:

56.0

Product Name:

Inavy: contactor, 115v; cage: epic hermetic sealed ac contactor, 150+ amp power switching, rohs compliant

Special Features:

Case material: 40-50 pct gf nylon 6/6; 115vac, 50/60hz; five flying leads, 48 in l; auxiliary contact: spdt; hardware included - all stainless: m8x1.25 bol (2), m8x1.25 nut(2), lock washer(2), flat washer(2); wire spec: silicone, 22awg, m40.0 to p150 degrees c, ul: vw-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
