Overall Height:

5.900 inches

Overall Width:

3.000 inches

Ac Voltage Rating:

480.0 volts

Size Designator:

2

Horsepower Rating:

25.000

National Electrical Manufacturers Association Standards Design:

Designed per nema std

Special Features:

Full voltage non reversing, nema size 2, 3 pole, 24v coil with overload, 25 hp maximum at 480vac

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541c0
