**Ac Voltage Rating:**

600.0 volts

**End Application:**

Motor, controller, p/n 2344e001

**Size Designator:**

3

**National Electrical Manufacturers Association Standards Design:**

Designed per nema std

**Special Features:**

3 pole, non-reversing, 120vac coil with 1 auxiliary contact

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A541c0
