Size Designator:

Ip-65

National Electrical Manufacturers Association Standards Design:

Designed per nema std

Product Name:

Variable speed torque scr dc motor

Special Features:

Rated 3hp @ 230 vac-50/60hz; washdown and watertight for indoor and outdoor use; electronic overload protection;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541b0
