Size Designator:
lp-65
National Electrical Manufacturers Association Standards Design:
Designed per nema std
Product Name:
Variable speed torque scr dc motor
Special Features:
Rated 3hp @ 230 vac-50/60hz; washdown and watertight for indoor and outdoor use; electronic overload protection;
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A541b0
