Overall Height:

57.5 millimeters

Overall Width:

52.5 millimeters

Ac Voltage Rating:

690.0 volts

Dc Voltage Rating:

240.0 volts

Overall Diameter:

46.5 millimeters

Actuation Method:

Magnetic

End Application:

Bear power un

Operating Voltage Characteristic:

Full

Inclosure Feature:

Fully enclosed

National Electrical Manufacturers Association Standards Design:

Not designed per nema std

Amp Size Rating:

20.0

Product Name:

Contactora, magnetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A541d0
