Overall Length:

7.79 inches

Overall Height:

5.35 inches

Overall Width:

6.65 inches

Direct Current Rating In Amps:

565.0

Actuation Method:

Manual

Performance Type:

Manual

Product Name:

Dc drive contactors

Special Features:

coil voltage 120vac; dc thermal amp rating 280 amps; auxiliary contacts 1no; 1nc; dc make voltage 300 volts; dynamic braking current 363 amps; dynamic breaking voltage 160 volts; termination box lug; net weight 10lb 2oz;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A541d0
