Electrical Motor Thermal-overload Protector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6110-01-643-7531

Pole Quantity:
2
Voltage Rating:
240.0 volts
Mounting Facility Type And Quantity:
1 screw
Operation Type:
Automatic
Product Name:
Heating element
Special Features:
Screw in element rated for 1500 watts
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A510t0
