Overall Height:

22.25 inches

Overall Width:

25.50 inches

End Application:

Patriot

Product Name:

Distribution box - ecs

Special Features:

Battery input power 28 vdc; input power 208 vac, 400 hz; utility power 120 vac; prime with grade n and t primer in accordance with astm d5363 and seal using compound astm d5363, an0141

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A17600
