**End Application:**

Ac generator

**Special Features:**

Class h insulation 20-1/2 lg x 1/2 wide x .125 thk dielectric test to be 2500 volts ac 3 standard leads, element to be of nickel conforming to ta edison curve 7

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A243a0
