Generator Field Winding - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6115-01-311-7510

End Application:

Ac generator

Special Features:

Class h insulation 20-1/2 lg x 1/2 wide x .125 thk dielectric test to be 2500 volts ac 3 standard leads, element to be of nickel conforming to ta

edison curve 7

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:
