**End Application:**

P/n31000000

**Component Document Origin:**

Industrial

**Document Source:**

62502

**Document Type:**

Parts list

**End Item Source:**

62502

**Document Identification:**

310c-000

**Special Features:**

Temperature sender kit

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
