End Application:

P/n31000000

Component Document Origin:

Industrial

Document Source:

62502

Document Type:

Parts list

End Item Source:

62502

Document Identification:

310c-000

Special Features:

Temperature sender kit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
