**Overall Height:**

24.500 inches

**Overall Length:**

60.000 inches

**Overall Width:**

37.250 inches

**End Application:**

Piranha iiii vehical

**Current Rating In Amps:**

500.000 single output

**Product Name:**

Mobile dc power supply

**Special Features:**

5kw continous output at 28vdc, nato adapter and cables - 25 feet, more than 30 hours of continous operation, weight: 850 lbs, material:

aluminum

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A271a0
