Overall Length:

193.6 inches

Overall Height:

77.8 inches

Overall Width:

86.0 inches

End Application:

Standardized integrated command post system/tactical operations center

Wattage Rating:

18.0 kilowatts

Voltage In Volts And Current Type:

24.0 dc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
