Overall Length:

15.100 inches

Overall Diameter:

3.500 inches

Pressure Rating:

1800.0 pounds per square inch

Special Features:

Portable; low pressure; displays settled pressures no more than 250psi at 25 degrees c; 0-75 degrees c operating and -29 to 54 degrees c storage temperatures

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
