Electrical Power Source Relationship:

Operating

Input Frequency Rating:

66.0 hertz single operating power rqmt

Product Name:

Metering device, iq analyzer

Special Features:

10.250 h x 6.720 w x 5.830 inches d; graphical, glass plasma display; up to 7 lines of info; operating temperature -20 to 70 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
