Overall Length:

10.000 inches

Overall Height:

7.000 inches

Overall Width:

5.000 inches

End Application:

Used on ranger pressure infuser p/n 90032

Output Voltage Rating:

110.0 ac volts single power output and 240.0 ac volts single power output

Special Features:

Iv pole mountable; works w/ranger system to eliminate the need for canned or wall air

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
