**End Application:**

Metcal sp 200 soldering system

**Electrical Power Source Relationship:**

Operating

**Output Voltage Rating:**

-240.0 dc volts 1st power output

**Special Features:**

220/240v power supply, does not include power cord

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A39900
