Overall Length:

19.000 inches

Overall Height:

7.000 inches

Overall Width:

19.000 inches

Input Voltage Rating:

230.0 ac pounds per hour wet single operating power rqmt

Output Voltage Rating:

120.0 ac volts single power output

Input Frequency Rating:

60.0 hertz single operating power rqmt

Special Features:

Ruggedized universal power supply; rack mtd; forced air cooling

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A39900
